Dear folks.

How is everything back home? Received the ~~letter~~ which was in Dec. but I have done nothing but look at it since it arrived. There are a lot of new players that I had not known about. It just goes to show you that you have to follow the game day by day to keep up with it.

Boy I sure did pick the Marathon winner this year. Poor old John Kelly was second once again. Very glad to hear that Dot & Marion had a swell time in the big city. Hope they didn't throw their necks out of place while looking at the tall buildings as I did.

Fred Gallo is now over seas stationed in England. Sure would be great if me & he could see each other. Will a much longer letter tomorrow.

Love to All
"Dick"
